**Here are quick answers to some of the more commonly asked questions about grades:**

### **What do I do if I have a missing or blank grade?**

Grades will be blank until they are officially reported at the conclusion of the course and, where applicable, associated exam. Grades must be reported no later than 5 business days after the exam period. If, after this time, you still have a blank fall term grade, contact your professor or the department offering the course and ask when the grade will be reported.

### **Can my grades change?**

Grades appear incrementally as they are reported by your course instructors and/or department. Grades may change after appearing in your online grade report as a result of further review by your program, Faculty or instructor.

### **What does NGR mean?**

NGR means No Grade Reported. Please contact your professor or the department offering the course to inquire when the grade will be reported.

### **What does F NGR mean?**

F NGR means that a grade of F will be on your record until another grade is reported by your professor.

### **What do I do if a grade was reported incorrectly?**

First, contact your professor to confirm the grade reported. Then, if you wish to appeal a grade, you will find information on grade reappraisals here: <http://www.registrar.yorku.ca/grades/reappraisal>

### **What do I do if my grade report says I am ineligible to continue or I want to talk with someone about my degree program options?**

Contact your Faculty advising office here: <http://acadresources.yorku.ca/advising/>

### **Where do I find out more Faculty-specific information about my grade report?**
